BULGARIA SURRENDERS: TURKEY NEXT IN LINE

(By Associated Press)  
PARIS, Sept. 30.—An armistice has been concluded between the allies and Bulgaria on the allies own terms. This was officially announced today.

(By Associated Press)  
LONDON, Sept. 30.—A strong belief exists that a Turkish peace offer is imminent.

BULGARIA KNEW FIGHT HOPELESS

(By Associated Press)  
LONDON, Sept. 30.—The military correspondent of the Manchester Guardian says that the Bulgarian overtures for an armistice and peace are much more than an admission that Bulgaria is defeated; they express her formal verdict that Germany has lost the war.

"Bulgaria came into the war on the strength of her conviction that Germany was invincible," says the correspondent. "When her front was broken through last week Bulgaria must have asked Germany, and Austria what measures they could take to save her, and the present proposal of Bulgaria shows the character of the answer.

"Since the allied attack in the Balkans opened, no Austrian troops have been reported on the Bulgarian front. Some Germans have been encountered, but they were there before the present attack began.

"Germany would willingly send such reinforcements as she could, but the Bulgarians have made up their minds they would be insufficient and would arrive too late, and that Germany has lost the war in France."

London morning papers, while considering that an armistice is not a necessary preliminary to a discussion of peace, recognize the advantages of a separate peace with Bulgaria. They insist, however, on the carrying out of the allied policy in the Balkans and the safeguarding of the interests of Serbia, Rumania and Greece.

The only possible guarantee, declares the Daily Telegraph, are surrender of the Bulgarian armies and the submission of the Bulgarian people to the allies.

The allied governments, the Daily Express says, will not pay too big a price for the distinct advantage of a separate peace and they will not forget Serbia.

The Times declares it is for the commanders in the field to deal with the present proposals. Analyzing Bulgaria's cry of distress, the Times finds an explanation in the fact that the war never was popular with the rank and file of the Bulgarian army. The soldiers have realized more and more of late, the papers asserts, that the present policy of their country was not paying and never would pay.

"If anything is to come out of the Bulgarian request," the Times says, "we must cut out all elaborate maneuvering for argumentative position and come to the point without delay. If the Bulgarians are willing to throw over their allies on terms which leave us free to carry out the known objects of our Balkan policy, they will be well advised to say so at once."

"Beware of the Bulgar," says Nikola P. Pachitch, Serbian premier and representative of that government at the inter-allied conference here. In a statement printed in the Petit Journal M. Pachitch

Law, chancellor of the exchequer, said that the Bulgarian convention had been signed. Hostilities ended at noon today. Bulgaria surrenders

completely control of Bulgaria. It is said that something more is going to follow the extinction of the Turkish army in Palestine.

AUSTRIAN LIBERAL OFFERS PEACE TERMS

(By Associated Press)  
AMSTERDAM, Sept. 30.—A proposal that the president and vice-president of the parliaments of the belligerents and neutrals be invited to meet for a no binding discussion of peace was introduced in the lower house of the Austrian parliament by Herr Neumann, Liberal, would empower the president of the chamber of deputies to convey an invitation, with the meeting to be held at a

place to be agreed upon. Chancellor von Hofmann and Foreign Minister von Hintze have tendered their resignation to the Emperor, the Vossische Zeitung of Berlin says it understands. It is reported that the kaiser has accepted both. Vienna newspapers say King Ferdinand of Bulgaria has telegraphed the Austrian emperor assuring him of his loyalty to the quadruple alliance.

CONSUL REBUKED FOR BUTTING IN

(By Associated Press)  
WASHINGTON, Sept. 30.—The state department has ordered back to his post American Consul General Murphy at Sofia, who accompanied the Bulgarian plenipotentiaries to Salonika where the armistice was arranged. No criticism of Murphy was made, but it was made plain he had no instructions to participate in the negotiations. He probably acted only as an observer.

F. A. WEIDEL IS NO. 1. ON LIST

(By Associated Press)  
WASHINGTON, Sept. 30.—The president opened the draft drawing today. The first capsule contained the number 322.

In the Nye county registration No. 322 is held by Fred Arthur Weidel, a cook at Mooney's cafe, whose card shows he is 35 years of age, naturalized by his parents who live at Burnsville, Minn. The full record of the registrant is not known officially as he has not been called to furnish a questionnaire which, so far, applies only to registrants between the ages of 19 and 36. This does not exempt Weidel from responding to the first call as in due course of time he will be called on for the physical examination.

CUBA SENDS CIGARETTES TO AMERICAN RED CROSS

(By Associated Press)  
LONDON, Sept. 30.—The government of Cuba has sent to the American Red Cross in Europe 240,000 cigarettes and 3500 packages of smoking tobacco, for distribution to American wounded.

"This is a gift from the Cuban people in recognition of the work of the American army and a token of the sincere friendship between Cuba and the United States," writes the Cuban minister in transmitting the gift.

says: "I firmly believe Bulgaria's action barely conceals a ruse or scheme. The Bulgarians want to gain time. Why this offer when their armies are not definitely beaten and are still able to resist, and their country hardly invaded? It is simple. They wish to bring up reinforcements and then get back to their defense lines."

MONOTONY ALONG AMERICAN FRONT

LABORIOUS REDUCTION OF THE SMALL POINTS NORTHWEST OF VERDUN

(By Associated Press)  
AMERICAN HEADQUARTERS IN FRANCE (Sunday), Sept. 29.—(Reuters).—Fighting along the new front northwest of Verdun settled to dreary business to which machine guns have reduced modern warfare. Progress is being measured by the laborious reduction of small points which are held by small groups of men who are able to paralyze forces out of all proportion to their fighting value. From a dramatic viewpoint the greatest fighting has occurred in Argonne forest where it resembled a duel fought to a finish in a dark room.

Over hills swept by artillery and machine guns and through lowlands and woods often filled with suffocating gases the Americans crawled forward between the Meuse and Argonne forest.

STOPPING TRAINS

The Las Vegas & Tonopah railroad has issued a circular stating that after October 31st no trains will be operated on that line.

PRESIDENT APPEALS FOR SUFFRAGE BILL

(By Associated Press)  
WASHINGTON, Sept. 30.—The president in a personal address to the senate chamber asked passage of the suffrage resolution as a war measure. He said other peoples accept "in proof of our sincerity and ability to lead them to democracy." "Nothing is less persuasive or convincing than our actions. Verification in this particular matter is asked by an anxious, expectant, suffering people who are willing to put their destinies to some measure in our hands if they are sure we wish the same things they do. We made partners of the women in this war. Shall we admit them only to partnership of suffering, sacrifice, toil and not a partnership in the privilege and right? The war couldn't have been fought by the other nations or America had it not been for the service of women.

"I tell you plainly this measure

PARDONS GRANTED BULGAR PATRIOTS

(By Associated Press)  
AMSTERDAM, Sept. 30.—King Ferdinand of Bulgaria, at the suggestion of his cabinet, has issued an ukase pardoning M. Stambulowsky, leader of the Bulgarian Agrarian party, and former minister Ghendoff, leader of the Stambouffist party, says a Sofia dispatch. All their political friends who were sent to prison with their leaders when Bulgaria entered the war also have been pardoned. Stambulowsky was sentenced to life imprisonment in October, 1915, after having been convicted of the charge of anti-militarism.

ANOTHER SHARP ADVANCE SCORED LAST NIGHT

(By Associated Press)  
LONDON, Sept. 30.—The British, Americans and Australians advanced last night between Belecourt and Connelier.

which I urge is vital to winning the war, and not to winning the war only. It is vital to the right solution of the great problems which we must settle immediately when the war is over. We shall need them in our vision of affairs as we never needed before, the sympathy, insight

and clear moral instinct of woman.

HUNS MAY WITHDRAW TO LINE DRAWN FROM ANTWERP TO METZ

(By Associated Press)  
PARIS, Sept. 30.—General Foch is fighting five battles simultaneously and successfully, an unparalleled feat of war. Each is timed and placed that each army supports another, all forming an indispensable part of the whole front, all directed to wearing down the enemy's strength. Foch alone knows when the allies will

strike the decisive blow. Experts agree that an enemy withdrawal is probable to the line of Antwerp, Brussels, Mezieres and Metz. This course is imminent and some believe the enemy will have difficulty in preventing the retreat becoming a rout.

Most conservative observers consider that yesterday marked the first

step decisive stage of the war. The Belgians are near Roulers and the British marching up the Lys will outflank Lille. The Siegfried line is disintegrating at Cambrai, St. Quentin and Lacotelet, the central pillar of the Hindenburg system is outflanked and General Mangin is driving the enemy north of Chemin des Dames. General Gouraud is at the gates of Chalons on his way to Vouziers, key of the lateral railroad communications of the Germans. The allies captured more than 50,000 Germans on the west front last week.

FIGHTING EVERY INCH ON THE YANKEE FRONT

(By Associated Press)  
WITH THE AMERICAN FORCES NORTH OF ST. QUENTIN (Sunday), Sept. 29.—The American divisions brilliantly attacked on a front of several miles with the British. At night fall they reported they had gained their objective only by sheer might and after killing large numbers of the enemy. Elsewhere between St. Quentin and the sea important gains were made. It seemed tonight that the German resistance is slackening. British, Bel-

gians and Americans had the Germans on the go all day. The situation contains so many possibilities that anything may happen at any moment. The resistance encountered by the Americans was as strong as any the Germans offered for many weeks. The Americans, as well as British, were held up in many places by machine gun fire. In some places this opposition was overcome by flanking operations. In others quickly organized storming parties rushed against the enemy and silenced him.

REINFORCEMENTS HALTED BY SHELLS

(By Associated Press)  
WITH THE AMERICANS IN LORRAINE, Sept. 30.—American artillery shelled enemy back areas yesterday to prevent Germans sending reinforcements to the hard pressed troops east and west of Argonne forest.

PARADE TO NIGHT AT 7:30 QUICK TIME

The armistice extended Bulgaria amounting to an unconditional surrender will be celebrated this evening with a parade and remarks by Hon. Mark R. Averill. The parade will start at 7:30 when the Musicians' Union band will be ready to start the ball rolling. Everybody is invited and urged to turn out as the event is the greatest achievement of the war since the United States engaged in the hostilities and is accepted by some of the leading thinkers as the first step toward disintegration of the Central Powers.

The Young Men's Serbian society will be there is a body and the Nye County Council of Defense asks that this be made the biggest demonstration of the many celebrations conducted in Tonopah. Don't stand on the sidewalks.

LIBERTY LOAN WEEK STARTS IN TONOPAH

The Tonopah & Goldfield railroad has announced a subscription of \$25,000 to the Liberty loan divided between the counties of Mineral, Esmeralda and Nye. Committees for the 32 districts of the camp will begin their canvass next Wednesday. This afternoon the auditors of the several mining companies are meeting in the council of defense rooms to adopt a uniform plan of handling mine employee subscriptions.

There will be several big demonstrations during the next two weeks. Tonopah council, Knights of Columbus, will conduct a patriotic program on October 12th, Discovery day, at which the state council of defense will be represented by a speaker. Another occasion will be arranged when H. A. Lemmon, Bert Gibbons and Brewster Adams will speak.

(By Associated Press)

The British and Belgians in Flanders advanced an average of five miles with a maximum of eight. Roulers is imperiled. News communications in Belgium and Flanders, particularly on the Belgian coast are threatened.

The French reached the Oise-Aisne canal and are progressing eastward along the Chemin des Dames. The enemy is retreating behind the Ailette.

(By Associated Press)  
CINCINNATI, Sept. 30.—Walter Mayer, one of the catchers with the world's champion Boston club, is on his way to the trenches in France. As soon as he returned home, Mayer gave \$50 of his world's series share to the Red Cross, \$50 to the Y. M. C. A., \$50 to the Salvation Army and then reported to his draft board.
